GLOBAL AGRO EXPORT  
EXPERTS

Product Brochure

**2025/2026**

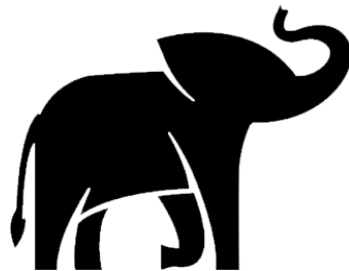

## Who We Are

Hidenor and Haul LTD is a dynamic agri-export company with a presence in **Nigeria and Kenya**, focused on delivering high-quality, traceable agricultural commodities to global markets.

With a robust supply chain that starts at the farm level and extends to international ports, we bridge the gap between Africa's fertile lands and the world's leading manufacturers, retailers, and distributors.

Our deep market understanding, rigorous quality assurance processes, and commitment to compliance make us a trusted partner to clients across **Canada**, the **United Kingdom**, and beyond.

Whether you're a food processor, cosmetic company, or raw material importer, Hidenor and Haul is equipped to meet your needs with efficiency and excellence.

# OUR SERVICES

At Hidenor and Haul LTD, we provide a full suite of export services designed to ensure product excellence and supply chain reliability.

## Quality Assurance

All products undergo rigorous inspection and grading, in line with **international phytosanitary and food safety standards**. We provide COAs (Certificates of Analysis), fumigation reports, and relevant regulatory documentation..

## Ethical Sourcing

We maintain strong relationships with farmer cooperatives, aggregators, and processors in Nigeria and Kenya. Our on-the-ground sourcing teams ensure that every commodity is ethically and sustainably acquired, with traceability back to its origin.

## Export Logistics

We coordinate all export operations from port documentation to customs clearance, ensuring timely and compliant deliveries to Europe, North America, and Asia.

## Custom Packaging

From bulk container packaging to retail-ready solutions, we customize packaging based on buyer requirements and regulatory standards, preserving product quality and maximizing shelf life.

Certified by:  
•NEPC (Nigerian Export Promotion Council)

## Why we stand out

While we are a new company in the export space, this is our greatest strength. Unlike older companies with wide client pools that can afford service lapses, we treat every transaction as a reputation defining opportunity. Our growth depends on trust and we approach each deal with meticulous planning, accountability, and a drive to exceed expectations.

## ABOUT US

Hidenor & Haul Ltd was founded in 2025 to meet the increasing global demand for premium agricultural commodities.

We specialize in the sourcing and export of high-quality products including Shea nuts, groundnuts, cocoa, cashew nuts, hibiscus, avocado, palm oil, and timber. Our headquarters are located in Lagos, Nigeria and Nairobi, Kenya, with strategic partnerships in several countries across the globe to support seamless trade and distribution.

## OUR VISION

To be a trusted global leader in the export of premium African agricultural products, recognized for integrity, quality, and long-term partnerships

## OUR MISSION

To deliver superior agricultural commodities from Africa to the world through transparent sourcing, reliable logistics, and unwavering commitment to client satisfaction.
